SUMMARY OF REVISIONS

This revision aligns paragraph numbers with the basic publication. It authorizes the use of T.O. sets and deviation from filing procedures when used as a set.

T.O. 00-5-2, 15 April 1996, is supplemented as follows:

- 3.9.1. Use of chits to sign out technical orders is authorized.
- 3.10.2. TO sets are authorized and may deviate from filing procedures in paragraph 3-10. If there is one copy of a TO in a file and additional copies of the same TO are at another location, OF 21s for those TOs may be filed at the end of the TO file in one binder, in numerical sequence.
- 3.14.1. The TCTO series may be listed on a single AFTO Form 110 card.
